Profile

Highly motivated B.Tech student in Artificial Intelligence and Machine Learning at VVIT Guntur, with a strong passion for technology-driven innovation. Interested in applying technical and problem solving abilities to real-world challenges with modern web technologies. Looking for a dynamic role that encourages continuous learning, innovation, and contributes to user-centric, impactful solutions that drive business success.

Education

VVIT <i>BTech in Artificial Intelligence and Machine Learning (AI&ML) -</i> <i>CGPA : 8.35/10.0</i>	09/2023 – Present Guntur
Sri Chaitanya Junior College <i>Board of Intermediate - Percentage: 97%</i>	09/2021 – 05/2023 Vijayawada
Sri Chaitanya School <i>Boards - Percentage: 98.1%</i>	06/2017 – 03/2021 Guntur

Projects

Fake News Detection using AI

- Currently developing an AI-driven system to classify news articles as real or fake using advanced Natural Language Processing (NLP) techniques. The focus is on improving accuracy, reducing training/inference time, and building a scalable pipeline for deployment.

TechStack: Python, Hugging Face Transformers (DistilBERT, Sentence Transformer), Scikit-learn (Logistic Regression), Pandas, Numpy

Technologies

- **Languages & Frameworks/Libraries :** Java, HTML/CSS, SQL, JavaScript, Python, Pandas, Numpy, Matplotlib
- **Databases and Tools:** SQL, VS Code, GitHub, Figma

Certificates

- Introduction to SQL - SOLOLEARN, May 2025 [🔗](#)
- Learn HTML and CSS from Beginning to Advanced -
UDEMY, May 2025 [🔗](#)

Positions of Responsibility

ACM Membership Chair, VVIT (2025–2026) - Coordinated member engagement and recruitment initiatives as ACM Membership Chair, strengthening community participation and retention.

NSS Member, VVIT (2024-2025) - Actively contributed as an NSS team member by leading and participating in community service and social impact programs.

Team lead for DTI Project - Led the DTI project 'Designing Safer Ride-Sharing Experiences for Women and Marginalized Communities', creating innovative solutions to improve safety and inclusivity in mobility services.
